IN SHORT

PROPHECY's music and performance career started at a very young age. Being active in choir, musical studies and theater began in Kindergarten. After self-learning 8 different musical instruments, singing and playing guitar as a frontman for bands from high-school and after, creating a home studio which has produced over 1200 instrumentals and 8 complete vocal albums, performing live electronic music with vocals up and down the east-coast from 97-02 the PROPHECY has now made his mark in the professional entertainment industry as a uniquely entertaining and versatile national DJ.
